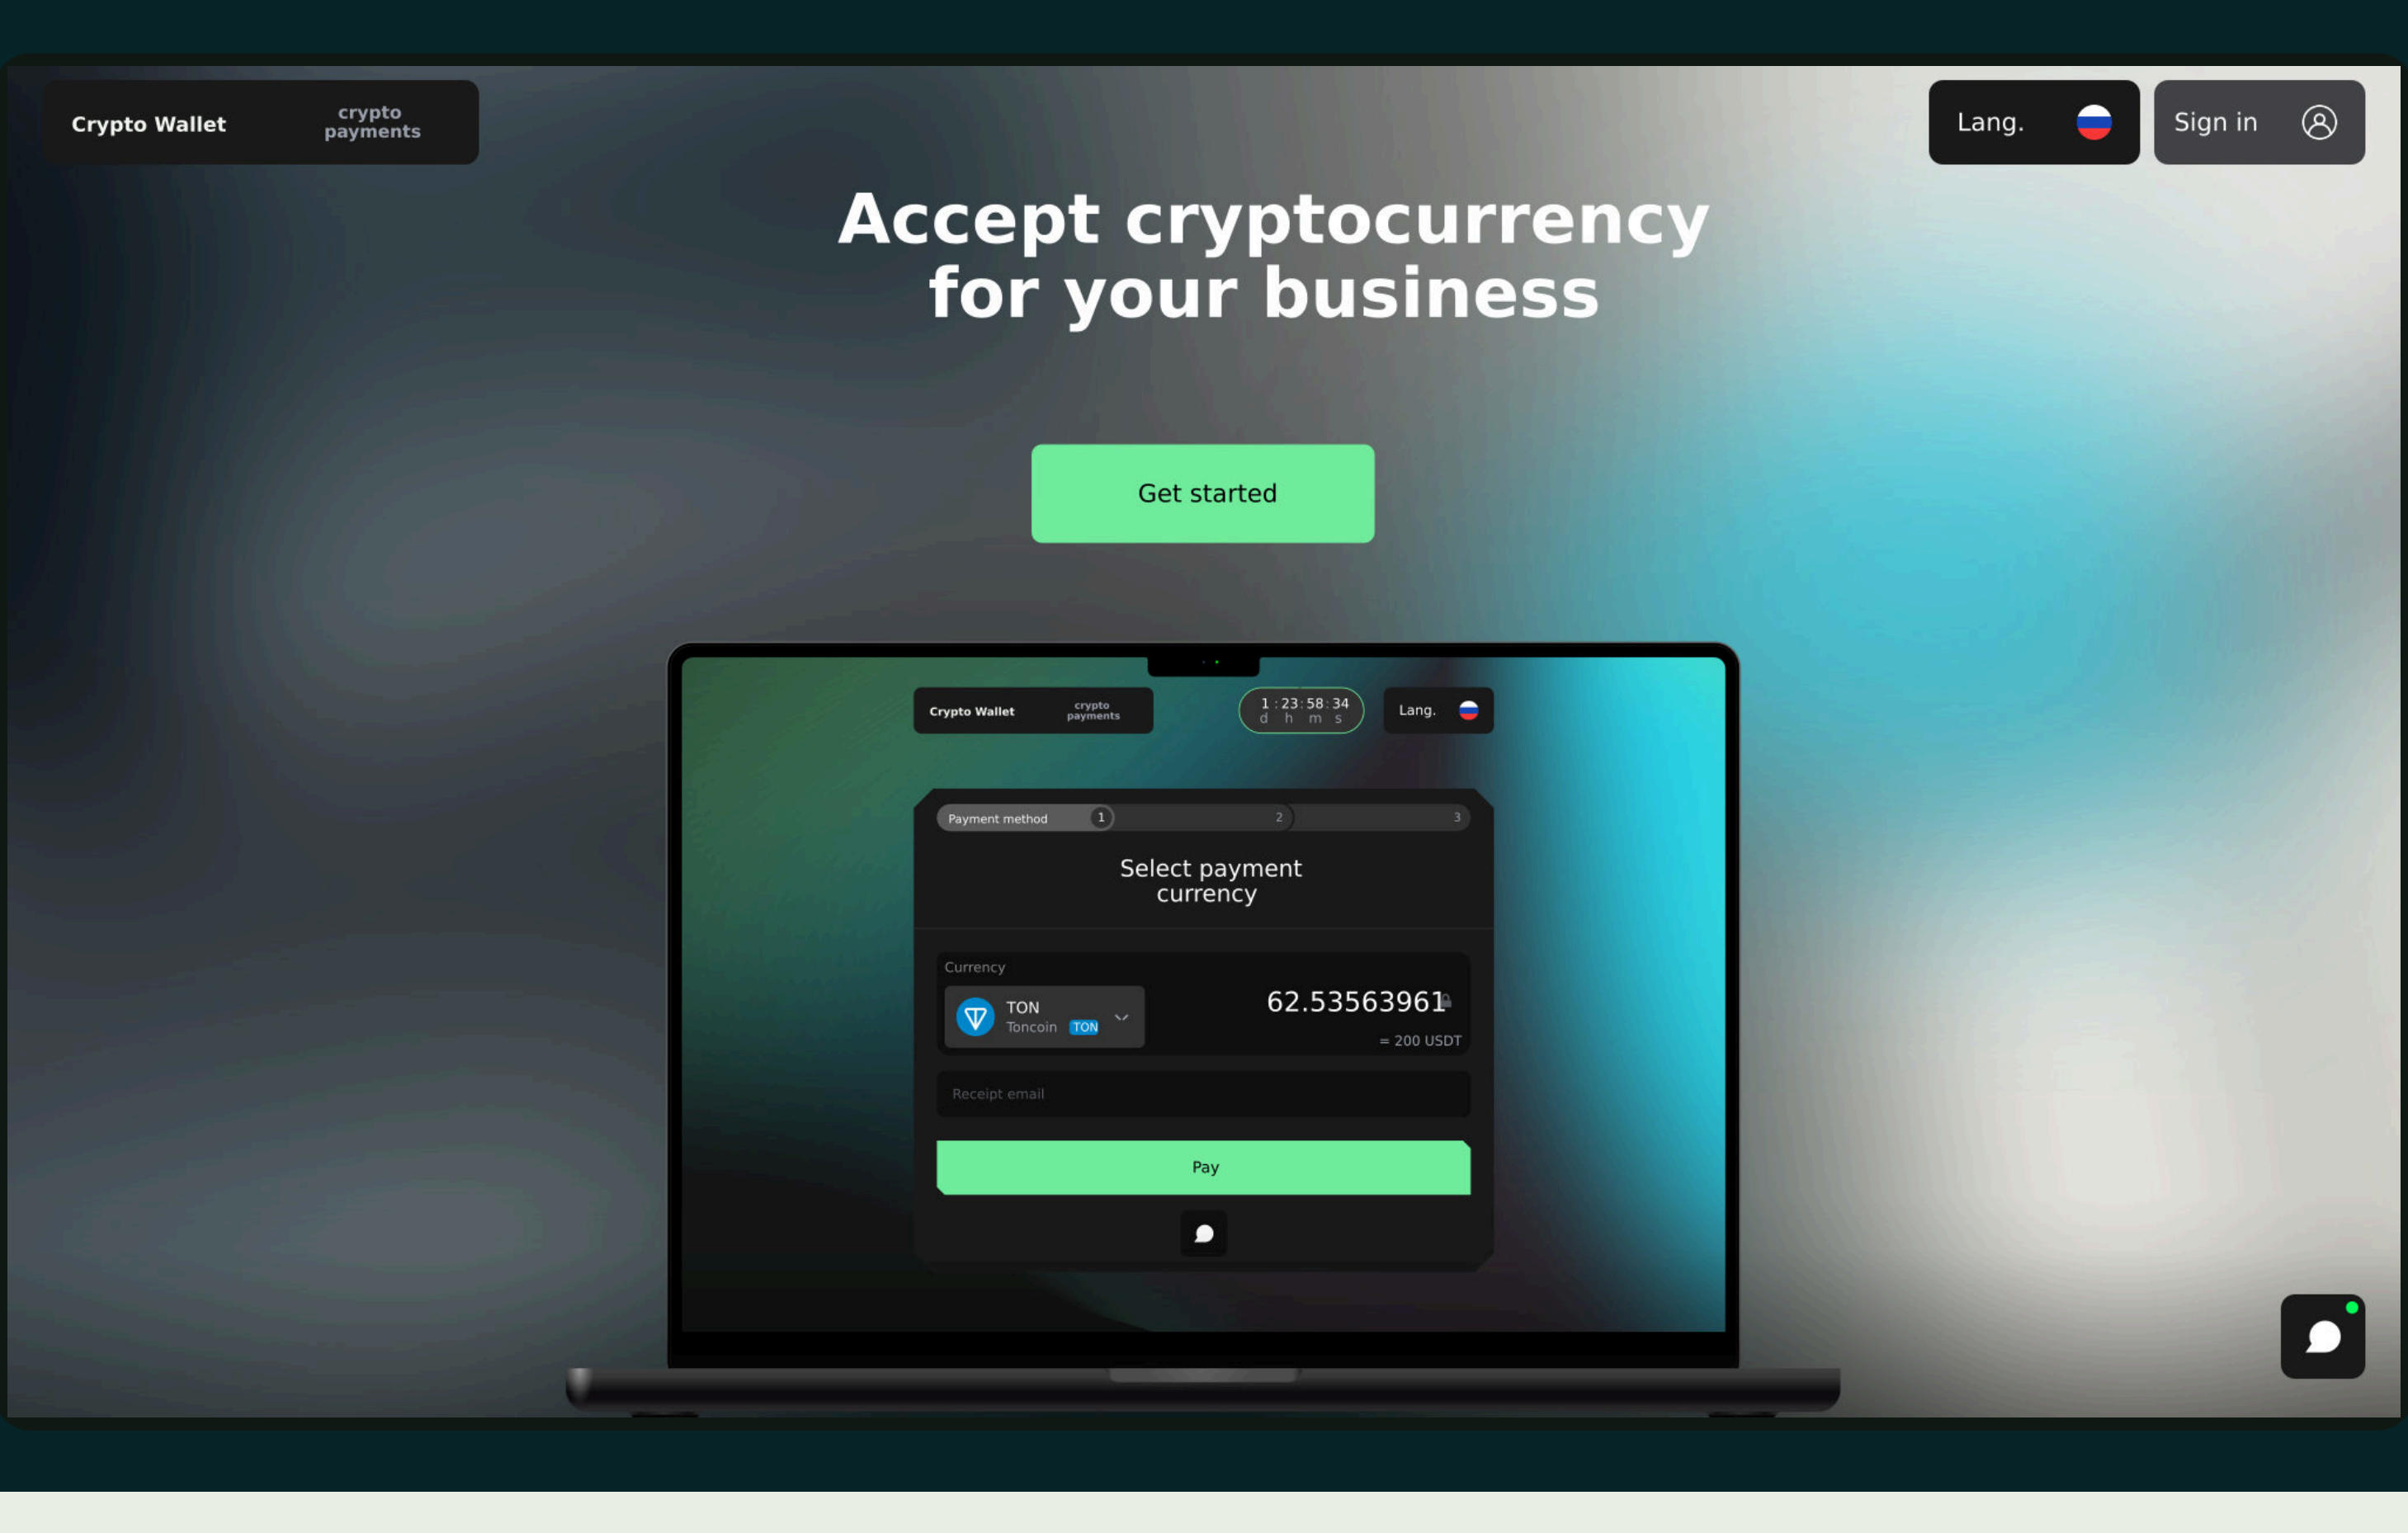
Crypto payments for business and creators



Accept cryptocurrency for your business

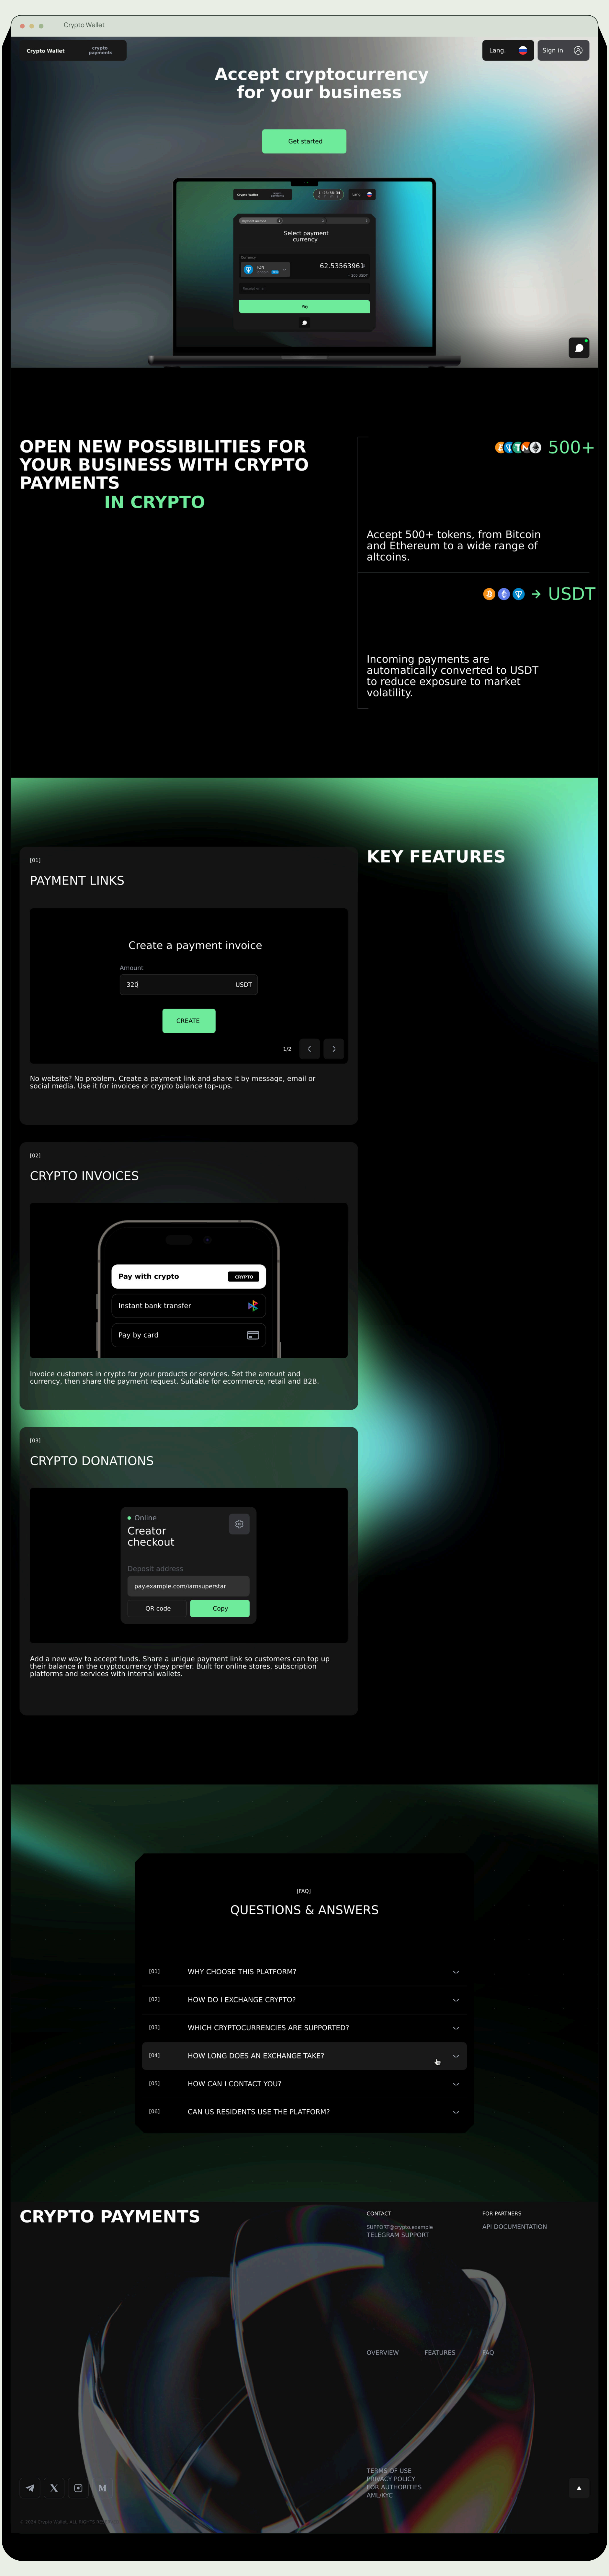
Select payment currency

Currency: TON Toncoin — 62.53563961 ≈ 200 USDT

Receipt email

The landing page.

DESKTOP



Accept cryptocurrency for your business

OPEN NEW POSSIBILITIES FOR YOUR BUSINESS WITH CRYPTO PAYMENTS IN CRYPTO

500+

Accept 500+ tokens, from Bitcoin and Ethereum to a wide range of altcoins.

→ USDT

Incoming payments are automatically converted to USDT to reduce exposure to market volatility.

KEY FEATURES

[01]

PAYMENT LINKS

Create a payment invoice

Amount: 320 USDT

No website? No problem. Create a payment link and share it by message, email or social media. Use it for invoices or crypto balance top-ups.

[02]

CRYPTO INVOICES

Invoice customers in crypto for your products or services. Set the amount and currency, then share the payment request. Suitable for ecommerce, retail and B2B.

[03]

CRYPTO DONATIONS

Deposit address: pay.example.com/iamsuperstar

Add a new way to accept funds. Share a unique payment link so customers can top up their balance in the cryptocurrency they prefer. Built for online stores, subscription platforms and services with internal wallets.
